

## 16<sup>th</sup> July 2022

Welcome to another Southport Auction, though if you have read the 'Welcome' page in the magazine you'll be aware it is a last-minute auction. Anything in block capitals is matching, anything in italics is non-Goss.

Rules are broadly in line with all other auctions, namely 10% of all sales goes to the Goss Club as commission. Please remember with your bids to include your full contact details, the briefest description of the lot (not just the lot number), and if you intend to phone on the evening of the auction. Emails bids will be acknowledged and should be with me before 12 noon Saturday 21st May. Postal bids by the post on Saturday (please note, my post usually arrives after 2pm!) and phone bids by 12 noon Saturday 16th. Members will be welcomed on the day if they wish to attend. Unsold items will be kept available for one week only, after the auction end, and open to offers. If you are considering making offers, please do remember it is on a first come basis.

Invoices will be emailed, phoned (only to those who request it) or posted out during the weekend. And payment is either by cheque or direct bank transfer. For further details contact the Editor.
