Auction date: Saturday 17th September

Welcome to another auction, to fill in the void for a month. I hope there is something to fill a gap for your collection. As with all auctions, 10% is commission for the Goss Club. Bids by phone or email before noon Saturday 17th; Royal Mail by the Friday post; and if you want a telephone call do remember to ask at the time of placing your bids. Please DO remember to add your contact details at the end of emails! All emails will be acknowledged. Lastly, it is advisable to add a short description with the bid(s) so there can be no misunderstanding as to which lot is being bid upon. Visitors on the day will be welcomed.

Postage is Royal Mail 2^{nd} class 'Signed for' either small or medium parcel (£4.45 or £6.45); or special delivery if valued over £100 (£6.85). For larger heavier parcels they will be charged at cost. Good luck with your bids.
