

## December Auction 10<sup>th</sup> December

Apologies if necessary for the amount of Goss and lack of other crested china makers. This is just a reflection of what has been offered by members only, and hopefully future auctions will have an equal quantity of items from others manufacturers.

**Do please note the earlier date for the auction** in order to get parcels out in plenty of time so that you receive your Christmas presents (hope I haven't given the secret away) in time. In order to help with process PLEASE ensure you include your full postal address with all bids so that I can be preparing them on the Sunday. Also, if you are thinking about offers, after the auction is over, it would be helpful if you could indicate this with your bids so I can make a telephone call over the weekend. Thank you in advance for your cooperation.

All postage is 2<sup>nd</sup> class signed for (either small or medium parcel) £4.45 or £6.45. Values over £100 will be special delivery at cost.

Payment can be either a cheque made out to Nigel Griffin, address as below. Or bank transfer to sort code 05-09-19 / Ac.No.37759542

Thank you, and good luck with your bids.

Nigel Griffin
