

## Auction Saturday 12<sup>th</sup> November

Welcome to my second auction, and please NOTE it is on the second Saturday, not the third. You will find several lower priced items, but well worth a good look as there are many unusual place names and decorations. Bargains to be had.

The auction rules are as normal, bids will be staged at 50p intervals and 10% of all sales go to club funds by way of commission. Please remember to include with your bids your name and address and full contact details, either telephone number or email address. Please also include a very brief description of the lot. All bids must be received by midnight on Friday 11<sup>th</sup> November and will be acknowledged by email, telephone, or post if there is time.

Any questions or queries about the lots will be replied to during the week preceding the auction, once the pots have been unwrapped.

Postage will be charged as follows. For a small box £4 or for a medium box £6. Where the total is greater than £50 an additional £1 will be charged for signed-for post.

Invoices will be emailed, phoned for those who request it, or posted on Monday 14<sup>th</sup> by first class mail. Payment may be made by cheque, cash, or bank transfer. Bank details will be included with the purchase confirmation.

Good luck with your bidding.
