

Auction Saturday 18th March 2023

The Goss Collectors Club has a new auction secretary so this will be the last appearance by The Crested China Company as “Guest” vendor for some time. The rules of the auction remain the same and 10% of the sale price will go to the club coffers.

Being our last “go”, and you Goss Collectors Club members probably having established collections, I have concentrated on rare and superior pieces that you may never see come on the market elsewhere and set the reserves very low.

Our previous format has changed as the editor had trouble with it, so this time the photographs are placed at the discretion of the editor. Good Luck!

Postage and packing will be £4.50 minimum per parcel, the cost per extra item being determined by size but usually 50p per extra item, more if larger items.
