MARCH AUCTION

Auction date: Saturday 16th March

Abbreviations: A = Agent's name / RG = Rubbed gilding / SRG = slight rubbed gilding. Any other damage will be mentioned.

HAVE YOU READ THE AUCTION RULES SET OUT BELOW IN THE PAST FEW MONTHS?

IF NOT, THEN DO, EVEN IF ONLY THIS ONCE, AS A REMINDER OF SOME PRACTICES THAT REALLY DO GREATLY HELP THE ADMINISTRATION OF THE AUCTION

Postal entries should be with me by Friday the day before; emails by 12 noon on the Saturday. All emails will be acknowledged as a confirmation of your bid. After the auction, notification will go out by email and post – telephone confirmation will only be if it is specifically requested at the time of bidding. And please, when bidding, it is really helpful if you can include, along with the lot number and your bid, a brief description of what the lot is (it's an easy, if uncommon, error to enter the wrong lot number, but causes a lot of unnecessary work to correct. A simple word entry though, no matter how brief, could hardly be entered wrongly.)

NOTE: it really does help too if, with your bids, you include your full, and preferred, contact details. Thank you.

After the auction ends, all unsold lots are open to offers, within reason. If you would like to discuss offers, after the auction ends, please indicate as such with your bids

Postage rates are 1^{st} class recorded at £5.55. Parcels with a value £100+ will go special delivery at the actual cost.

Payment is by cheque preferably, made payable to Mark Alford, but if you wish to pay by bank transfer this information will be made available on an individual basis to the buyer. All contact details for the Auction Secretary are detailed at the top of this page.
