The Brora War Memorial (also known as the Clyne War Memorial) is a prominent 55-foot, Scottish Baronial-style clock tower located on the A9 in the village of Brora, Sutherland, overlooking the River Brora. It was unveiled on Christmas Day, 1922 by Mrs Thomas Matheson who lost two sons, a daughter, and a son-in-law in the Great War. Built from local Clynelish sandstone, is four clock faces and a castellated top. It records the names of 61 men from the parish who died in WWI; 18 who died in WW2; and as testimony that these memorials are as relevant today as they were over 100 years ago, the name of Sergeant Donald Bruce Kinnear, who died in the Gulf War.
